Depending on group interest after lunch, there are two local tours available and either one is delightful. A tour of NCAR (National Center of Atmospheric Research) has fascinating displays of weather phenomenon as well as a nature walk. Another nearby tour is at the Leaning Tree Museum of Western Art, which has a large collection of paintings and bronze statues. Outside is a walking path to larger statues.

We are Cruising this fall!

October 9-16, 2010
on RCCL out of Boston, MA

Lighthouses aren't the only reason! New England and eastern Canada have an unmistakable charm, rich history and natural beauty all their own. There's no better time to visit than the fall—when the foliage is brilliant in every imaginable color and there's always an authentic lobster bake going on!

DATE	PORT	ARRIVE / DEPART	ACTIVITY
09-Oct.	Boston, MA	5:00 PM	
10-Oct.	Portland, ME	7:00 AM – 7:00 PM	Docked
11-Oct.	Bar Harbor, ME	7:00 AM – 7:00 PM	Tendered
12-Oct.	St. John, New Brunswick	7:00 AM – 5:30 PM	Tendered
13-Oct.	Cruising		
14-Oct.	Halifax, Nova Scotia	9:00 AM – 6:00 PM	Docked
15-Oct.	Cruising		
16-Oct.	Boston, MA	6:00 AM	

A few of us recently decided that we wanted to cruise this fall. We have put an AHS Cruise together and as of today, 9 cabins are sold. Signed up so far are the Wakes' (8570); Neurautes' (9013); Snells' (3560); Yates' (3554); Born-Watts' (3552); Purvis' (8639); Plambecks' (3050); O'Connell-Olson (8568); and Ibbotson-Kelly (9611). We have a couple other "singles" that might be interested in sharing a cabin.

TIME IS OF THE ESSENCE! The fares for the cruise have dipped down, but will inevitably be headed back up soon. At this time, certain categories (*most Ocean views \$885-\$910*) can still be booked, but are not eligible to be in the group until they are booked. Same is true for some Inside categories. In other words, they can't be "held." Once booked through our agent, they can be added to our group.

CABINS: The AHS group holds (*not by number, just category*) the following:

Three E1 - Balcony Cabins: \$1,265 / person
(E3 has obstructed views. E2 were at the ends of the ship)

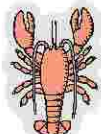

Five L - Inside Cabins: \$827 / person
(M, N were not eligible to be pulled into a group at this time)

We still have some "held" cabins and their pricing will not change until the surrender date, which is June 11. Any cabins that do not have deposits assigned will return to RCCL's inventory as of that date.

Everyone in our group will receive a \$50 on-board credit per stateroom. Deposits of \$500 per cabin are due upon cabin reservation. **Final payments will be due by July 31, 2010.** If you cancel before that date, you will get your deposit back with no penalty.

DINING: We have "My Time" dining at the moment. We hope to book an early reservation once the computer sign-up opens.

To book call the name below, **mention AHS Class of '59 Cruise** and Debbie will help you select a cabin, etc.

Arizona Chapter

On Saturday, March 6th, Roy and Cathy Garr hosted a barbeque at their home in Central Phoenix. The weather was beautiful and the camaraderie enjoyable. Everyone attending brought a terrific side dish of some kind and Roy grilled brats and Italian sausage. Yummy!

Attending were: Jeff & Michelle Pratt, Gary & Ann (Carlisle) Garnett, Joe & Toni (Minetti) Kane, Bill & Melody Mors, Gary & Nancy (Deming) Snell, John & Bev Torrens, Stephanie (Sheets) Grant, Willy & Marlene Neurauter and Jim & Sandy (Wesley) Beck.

We were pleasantly surprised by our last minute out-of-town classmates who came a long way to join us: John & Bev Torrens and Willy & Marlene Neurauter.

Unfortunately, we had some last minute cancellations: Fred Herdt, Karen Vork, Paul Christman and Art Gregory all had last minute conflicts that kept them from attending—we missed them and hope they can make it next time.

The conversation centered around multiple and various topics including the old days (*naturally*), Arizona, current topics in the news, the Cubs and Sox chances in the upcoming season, health issues, favorite books and movies, cooking, food, Social Security, Medicare, our recent reunion, plans for upcoming reunions and much more.

I think all had a good time—everyone indicated interest in doing it again.

APPEAL FOR DUES

At our 50th Reunion, it was agreed to continue the voluntary dues program of \$10 per year. We are asking you to "pay it forward" a little bit to help us continue to cover the cost of publishing and mailing the *REUNITED* Newsletter. For ten years, Editor, Pat Mahler McDonald and our Hometown Chapter, helped once by our Arizona Chapter, have provided you with two or three *REUNITEDS* each year. We feel that our Newsletter is the key to our staying in touch. Now, as we move beyond our 50th Anniversary, staying in touch is critical to our continued efforts to keep our class together.

With 90% of our graduating class found, thanks largely to the efforts of Bob Wake and Doug Leicht, our top-notch "finders of missing persons," we have truly built something that, literally, nobody else has done with a class our size. Please, help us keep and grow what we have built. Thank you for your continuing and often generous support. Send your checks made payable to the **AHS Class of '59** to our Treasurer, Gary Snell, at 604 Can Dota, Mt. Prospect, IL 60056.

IN OUR THOUGHTS & PRAYERS GET WELL WISHES TO:

To our classmate, **CAROL (MAISEL) CRANE**, who is battling cancer.

Good news from our classmate, **BARBARA (CONKLIN) SOMMER**. Barb had surgery in late September and had one lymph node removed followed with 6 weeks of radiation treatments. Barb was fortunate that her yearly mammogram caught this early stage cancer. Her doctors say surgery was a success and the Radial Oncologist told Barb she is cancer free. Barb is scheduled for a follow-up appointment in 6 months with her Oncologist, but all the doctors are claiming Barb as a success story.

To our classmate, **JAN (LUNSMANN) ACKER**, who is recovering from knee surgery on May 3, 2010.

To our classmate **JUANITA (STOLLEY) HEIN** who is in a nursing home suffering from MS.

Get well to **Ryan Dunn**, the youngest son of our classmate, **SUE STEVENS DUNN**. Ryan was diagnosed with leukemia after having an extensive physical exam. He is 30 years old and is extremely physically fit. The good thing is that it can be cured with oral chemotherapy, which he will have to take the remainder of his life.

GOOD NEWS UPDATE: Ryan is in Remission!

Our Deepest Sympathy and Prayers go out to:

Our deepest sympathy to our classmate, **MARJ (IBBOTSON) KELLY** and family, on the death of Marj's husband, **John Kelly (70)**. John, a dear friend of the Class of '59, passed away peacefully on January 20, 2010, after a long and dignified battle with cancer. His family was constantly at his side. John was born to Robert and Hermina Cunningham and adopted by Edward and Mary Kelly. He was reunited with his birth family in January 1996. This developed into a strong bond continuing to this day with a large extended family, all who dearly loved him. John was the president and owner of Ibbotson Heating Company along with his partner, Ralph Ibbotson. He was a longtime active member of Christ Church of Oak Brook where he served as an elder, an usher, and in many other capacities. He touched the lives of all who knew him through his courage, faith and quick and clever wit. Survivors include his beloved wife of over 46 years, Marjorie (nee Ibbotson); his four daughters, Jacqueline (Richard) Okolita, Catherine Kelly-Krasinski, Kimberly (Robert) Dolan and Tanysha (Aaron) Falco; and his grandchildren, Jonathan, Zachary, Jared, Krystina, Miles, Nina, William, Megan and Trent. Also surviving him are four siblings and many nieces and nephews. He was preceded in death by both sets of parents and five siblings.

Our deepest sympathy to the family of our classmate and friend, **SUZANNE (WESTERLUND) LUEDER**, of Palatine, IL. We received a note from **Jeanne Hanson**, daughter of Suzanne (Westerlund) Lueder, informing us of Sue's death on December 22, 2009, after a 10-month battle with lung cancer. Suzanne began her career in 1971 as a sales consultant for Relcon Apartment Finders, earning her real estate and broker licenses. She was very passionate about her job and retired in 2007 after 36 years of dedicated service. She enjoyed old movies, traveling and the theater, but most of all she loved spending time with her children and grandchildren. Sue will be remembered for her warm smile and generosity. She was an amazing person and will be dearly missed. She was the loving mother of Robert (Lori) Lueder, Laura (Thomas) Santowski, Katherine (William) Vasey, Jeanne (Fred) Hanson, and was the cherished grandmother "Grandma Sue" to Stephanie and Brianna Santowski, Andrew Lueder, Megan and Zachary Vasey, and Taylor and Haley Hanson. She is also survived by her longtime companion, Grant Garcia; her sister, Kay Coombs, and two nieces. Sue was preceded in death by her parents, Harlon and Helen (nee Zorn) Westerlund; an uncle and grandparents. **Note:** Jeanne wanted us to know that her father, **Robert Lueder**, who also attended AHS (but graduated a few years prior), passed away suddenly in 1997 from a heart attack.

Our deepest sympathy to our classmate, **TOM BRODERICK** and family, on the death of Tom's brother, **Edwin Broderick, Jr. (61)**, on January 19, 2010. His survivors include his wife for 32 years, Regina, two children, two grandchildren, a sister, Marybeth, and a brother, our classmate, Tom.

Our deepest sympathy to our classmates, **JUANITA (STOLLEY) HEIN, ROSEMARY (HEIN) BARTMANN** and **BILL HEIN**, on the sudden death of Juanita's husband and Rosemary & Bill's brother, **Gordon Peter "Butch" Hein** (71), on February 9, 2010. Butch served on the Mundelein Park Board for 21 years. He was formerly a member of the Mundelein-Libertyville Rotary Club, a former coach with the Mundelein Junior Football League, Mundelein Little League and currently a ranger at Steeplechase Golf Course in Mundelein. Butch enjoyed golf, cooking and most of all, being with his seven grandchildren. His wife, Juanita; their four children, his mother, Ida "Dolly" Hein; his brother, William "Bill" Hein; his sister, Rosemary (John) Bartman; and his seven grandchildren survive him. His father, Gordon Henry Hein, preceded him in death.

Our deepest sympathy to our classmate, **JUDY (EICH) HERLACHE** and family, on the death of Judy's mother, **Ruth Eich** (94). Mrs. Eich passed away on March 1, 2010 in Sturgeon Bay, WI. Survivors include two daughters, Judith Kay (Ralph) Herlache, of Sturgeon Bay, WI, and Janette Lee Carroll, of West Des Moines, IA; seven grandchildren; two step-granddaughters; nine great-grandchildren; one step-great-grandchild; two sisters; plus many nieces and nephews. Her husband of 62 years, Willis; a brother; a sister and great-grandchild preceded her in death.

Our deepest sympathy to our classmate, **CAROL (ANDERSEN) LEWIS** and family, on the death of Carol's mother, **Marie Andersen** (90). Mrs. Andersen passed away on March 10, 2010 in Charlotte, NC. She was married to her late husband, Lars Roy, for 67 years. Marie was a homemaker and a career woman. Her love of decorating, hospitality and entertaining were expressed throughout her home. Marie had a passion for prayer and memorization of the Bible. She was active in church as a Speaker, Sunday School Teacher, Hospitality Chairman, Hospital Visitation, and President of Women's Organizations. Moving to Charlotte in 1988, Marie attended the Central Church of God. Mrs. Andersen is survived by two sons, Wayne (Barbara Jean) and Gary (Jin Hee); daughter Carol Lewis (late Warren); eight grandchildren, seventeen great grandchildren; and numerous friends.

A Note from Sherrill Sander...

Dear 1959 Classmates, Spouses, and Friends,

It is difficult to find the words to express my gratitude for the many kindnesses you have shown me during this sad time. First, thank you for the beautiful red and white flowers sent from the Class of '59—they were so lovely. I am especially grateful for all the cards, letters, prayers, phone calls, and email messages. This meant a great deal to me as I struggled with my heartbreaking loss. Cards have come from many states, and I am unable to write individual thank-you notes to each one of you. Please know that your thoughtfulness has touched me deeply. I am touched by your friendship for Al. There is no doubt Al is looking down and so pleased with the outpouring condolences.

Love and Sincere Appreciation, Sherrill Sander

*A friend is someone who reaches for your hand
and touches your heart!*

What's Up?

KEEP THOSE EMAILS, CARDS & LETTERS COMING!

We've had a great response to our "What's Up?" column and we would love to hear from **YOU**. Please send a short note and/or photo letting us know what you've been up to lately, and then look for your note in the next Newsletter. We reserve the right to edit for space, taste, and bad jokes. First come, first served, is usually the way it works.

Call or send your note to:

Don't delay—let us know "What's UP" today!

DWIGHT ZEMAN is a licensed Guide and Charter Captain in Ohio and is located right on Lake Erie at Port Clinton, Ohio. If any of you are interested in catching gigantic walleyes, now is the time, Lake Erie is the place, and Dwight is the guy who can make it happen for you! **Below is Dwight's "Fish" story, with a picture to prove it all!**

There was no wind the night before we went out. What had been water everywhere was ice ¼ to ½ inch thick. We broke ice everywhere until 11:30 in the morning. My friend caught a 6½ pound female at 11:40 in 25 feet of water. He was jigging Buckshot, which is an ice fishing lure. I caught the 10½ pounder, another female 15 minutes later jigging a Green Marabou Lead Headed jig. In the next 45 minutes, we each caught 23½ pound males. We have not been out since due to rain, wind and waves—typical March weather.

We received this happy note from **FRED KOLSTAD, III** (Northridge, CA): My adopted son, Brian and his wife, Debbie, have adopted their second son, Hayden, in Clarkston, WA. (Congratulations Fred and Judy!)

...And, Congratulations to **JUDY (EICH) HERLACHE** (Baileys Harbor, WI) who became a great-grandmother on March 24, 2010.

Here's a note from **JANET (CLOUD) VARNEY** (Burnsville, MN): Hi Pat, this is just a thought I'll run past you. Being a Minnesota resident, I'm very interested in spending a few of the winter months beginning in January, in a warmer climate, preferably AZ. Ideally, I'd like to rent a Mobile home in a retirement park in the Phoenix area. I might have a friend to go with me, but I also have a Shih Tzu dog, around 17-pounds that I have to bring. I did talk to one of our former classmates last fall regarding a rental, but it wasn't seasonal and the price was way more than I could handle. So, I'm wondering if there are others in the area that might have some leads or suggestions on possible locations. It's also possible there are others who might be looking into the same. I recently underwent a total hip replacement on the left leg and had a successful one on the right in 2004. Thus, arthritis is a factor and why I'm looking for warmth during the cold, cold days of winter. If you can help Janet out, you can email her at Jcvarney@aol.com.

Around the World with **JOHN & ROBIN KRUK** (Racine, WI). We recently traveled from **Australia to Nepal** during a 4-week exotic journey to "different worlds" with the help of our frequent flyer miles and a super cruise deal on a Princess repositioning cruise from Australia to Thailand. Our cruise began in Sydney, Australia, where **John climbed the Sydney Bridge**. Highlights of Australia included cruising the spectacular coast of Tasmania, touring the remote Kangaroo Island, and watching the "Penguin Parade" on Philip Island. Ports included Melbourne, Adelaide & Perth.

In Asia, **Angkor Wat in Cambodia** was a fascinating side trip from Singapore. **Vietnam** was interesting to see some locations that we heard about during the war like the famous **Mekong Delta**, Rex Hotel, etc. We also enjoyed a very colorful water puppet show while in Vietnam.

In order to use our frequent flyer miles, we had to go from Bangkok, Thailand, (the day before the demonstrations & riots began) to **Delhi, India**, to get a non-stop flight to Chicago. **India** was a real adventure. The **Taj Mahal** was magnificent. The four-hour drive each way was quite an adventure, even though we were not driving ourselves. The roads and "highways" were filled with cows, motorcycles, rickshaws, cars, trucks of all sizes, pedestrians, ox carts, etc. Pollution was terrible and lots of poverty there, too. We also got to see the huge majestic buildings where all our high tech jobs & call centers are going.

We also visited **Kathmandu, Nepal**, where we expected to take a flight-seeing trip to view the **Himalayas**, including **Mt. Everest**. Unfortunately, the clouds were too thick to see anything, although we did see the mountains while flying back to Delhi. However, the trip to Nepal was like taking a trip back in time. It was truly a unique experience visiting the stupas where ancient religious rituals are still followed.

We really enjoyed our exotic adventure, but India is a place we would not want to revisit, but are glad we had an opportunity to see it. John plans to enter a few of our many photos and videos into photo contests.

Wedding bell news from **ELLIE (AVERILL) KULLMANN** (Rosewell, GA): Mind you, our daughter, Jennifer, is 42 years old!! And!!!! SHE IS GETTING MARRIED ON JULY 17, 2010 TO JASON WEINSTEIN of Chicago. As you can tell, we are very excited about all of this. The wedding will take place in Los Angeles, CA. They're a super dual, and we can hardly wait!! Ellie Kullmann

Here's a note from **SHERRY (WARFSMAN) BUTLER** (Lake Havasu, AZ): Unfortunately, I had to move away from all my classmates and friends between my Sophomore & Junior year. I finished in Rockford, IL where I was fortunate enough to also make friends. I did so often wonder about you guys and almost made it to the 50th Reunion. Was unable to do that, but did purchase your beautiful memory book and had a great time looking up all my old friends and seeing where they are now and what they are doing. My husband and I just retired after doing business here for 19 years and we are looking forward to traveling and reconnecting with friends and family. Our small town of 55,000 people known as Lake Havasu City is on a lake made up of the Colorado River, which divides California & AZ. It is three hours from almost anything, so meeting up with some of you is difficult. Just wanted to say hi and would love to hear from any of you who might remember me, by e-mail: butcomm@citlink.net.

Here's a note from **SHIRLEY "SHIREE" (STADNICK) ROBERTS** (Seki, WA): Regarding the Memory Book, it is such fun to read and to see all the family photos. It makes our class seem like we really did stay friends over 50 long years. Such a privilege! There is so much in all the auto-biographies—so much to think about everyone's paths—so much to enjoy and reflect on—what a treasure! There were 3 typos in my bio page, probably because I snail mailed a manuscript to Jeff and he had to transfer it to print. Anyhow, let it be known that I painted STAGE scenery in college, (not "state" scenery), and then I learned to carve cedar WOOD (not "wook") FROM (not "for") the MAKAH (not "Maka"). The Makah, a native-American tribe occupying Cape Flattery, are known for hunting whales. My two sons, Alex and Aaron, are half-Makah. The woodcarving I did was scenic; my son Alex does three-dimensional objects, as in paddles, and NW Coast animal sculpture. An explanation helps.

Friends are like balloons;
Once you let them go,
You might not get them back.
Sometimes we get so busy
With our own lives and problems
That we may not even notice

That we've let them fly away.
Sometimes we are so caught up
In who's right and who's wrong
That we forget what's right and wrong.
Sometimes we just don't realize
What real friendship means
Until it is too late.
We don't want to let that happen,
So we're gonna tie you to our hearts
So we never lose you!
